Objective

To share my passion for and knowledge about graphic and web design, including the latest techniques and best practices, as well as to help others to achieve a foundation for the art of web design.

Education

Bachelor of Arts, Flagler College, St. Augustine, Florida, 2003.

Major: Graphic Design; Minor: Advertising

Design Experience

August 2003 - Present: Tambourine – Senior Web Developer. Major accounts served have included the Paradise Island Tourism and Development Association, St. Maarten Tourist Bureau, Wall Street Journal, Nevis Tourism Authority, Four Seasons Hotels, Caribbean Hotel and Tourism Association, and the Out Islands of the Bahamas.

August 2002 - Present: Independent freelance design projects. Clients served include Fitness Through Function, a professional trainer blog; ITX Corporation, a content management website; and Advantage Plus Rehabilitation, logo design, corporate identity and branding package.

1996-2003: Lake Park Stained Glass, Lake Park, Florida – Design development and customization for architectural stained glass patterns.

Other Work Experience

1999-2002: Blockbuster Video, Jupiter, Florida – Customer service representative (part time while attending school).

Related Design Skills

Proficient in Aptana Studio, BBedit, Photoshop, Illustrator, Macromedia Dreamweaver, InDesign and Quark; experienced in Microsoft Powerpoint, Word and Excel.

Awards, Honors

Dean's list, Flagler College

2003 AIGA Student Design Competition, honorable mention

1999-2003, Florida Bright Futures Scholarship
